Re: BSCR Living Trust Water Right Application

Gentlemen:

Edwards Smith Construction is the contractor for a home being built by BSCR Living Trust. The amount of water sought in this application is based on the plumbing code requirements calculations of approximately 23GPM for the fixtures selected for the main house. The smaller home requirement is about 16GPM.

Thank you for your consideration.

Sincerely,

Subject: Additional information requirements (BSCR Living Trust Application)

Bob:

Two Adjudication Claims appear to be applicable to the BSCR Living Trust Application. One of these requires an ownership change. The use of both overlapping rights be described on #10 of the Application.

95-8275 is a licensed Right, claimed as Municipal, now held by Black Rock Marina that has been recommended in the CSRBA. It appears to include the BSCR tax lots.

95-13293 is a CSRBA beneficial use Domestic Claim for use of Coeur d'Alene Lake water on the two lakefront lots. This Claim and Recommendation are still in the name of a prior owner claimant (Fred and Ann Laubscher Family Trust).

I also must have the correct spelling, including middle initial, of each of the individuals who signed the Application for BSCR. I took a stab at the Arizona business entity search web site but didn't find a match for BSCR using 'Riccobene'.

Thanks,

Shaun

Thanks. Dawn Lenon has mailed an Adjudication change of address letter for Claim 95-13293 to the BSCR Living Trust address shown on the Application. The Trust can avoid a fee if they hustle to get the Notice of Change in Water Right Ownership paperwork in while the Adjudication is still pending.

Thanks Shaun. I'll be in tomorrow to submit the upgrade fee. The second home is on the undeveloped shore lot. Also, Brendan Riccobene is the one who signed the application and authorization form.

The receipt for the well D0073573 drilling permit was for the minimum amount (\$75). Therefore a \$125 well upgrade fee is required before we can issue the permit with Irrigation.

I also need to confirm that the second, unbuilt, home will be on the undeveloped shoreline lot instead of one of the two interior lots.

Application For Permit No. 95-17481

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the COEUR D ALENE PRESS on 4/19/2018 and 4/26/2018. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,
