Good Afternoon Jon Bauer,

I'm preparing to send Application 65-23738 to advertizing tomorrow, however, amendments are needed first.

- The range identified on item 9 lists 3N instead of 3E.
- Item 11.b needs to be completed. If the applicant owns the property to be irrigated, what date was the property acquired.

Please submit amendments to me as soon as possible to avoid any delay in processing.

Sincerely,
