RE: Change in Ownership Water Right No. [22-2241](#)

Dear [Sir/Madam](#):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** In order for the department to complete the ownership change a full chain of title back to the owner according to the department's records is required. According to the records filed with the department the current owner of water right 22-2241 is Francis Ripplinger. Please supply copies of all the deeds going from Francis Ripplinger to Twin Ponds Associates. The department received a copy of the deed for the property from Twin Pods Associates to Teton Jewel LLC.

And

**** **Filing Fee:** The filing fee for a Notice of Change in Water Right Ownership not resulting in a division of the water right is \$25.00 per water right. Please submit \$25.00.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
