Re: Application for a Permit to Appropriate Water within the State of Idaho.

A complete application was submitted on 3/15/2018. During data entry an existing contact was found for applicant which listed the address as PO BOX 2213 instead of 8076 W Prairie Ave. A phone call was placed to Russ Hoover to discuss the difference in addresses. He said he had put the actual location of the church on the application. He explained that we should keep the mailing address the same as what was on existing contact information that was taken for claim 95-11554. We will proceed in processing the application with the mailing address as
