Re: Ownership Change/Assignment of Permit for 95-10818 & 95-10819

Dear Water Right Holder(s)

On March 15, 2018 the Department received an ownership change for the above mentioned water right numbers. Because these water rights are still permits and not licenses, the Department requires the enclosed Assignment of Permit form to be submitted to our office. All fees submitted for the ownership change will be applied transferred.

Please submit the enclosed Assignment within 30 days of the date of this letter. If the Department does not receive Assignment, we will issue a refund for the \$50 and return all documents at that time.

If you have any questions, please feel free to contact our office.

Sincerely,

A handwritten signature in blue ink that reads "Natalie Steading". The signature is written in a cursive style with a large, looped 'S' at the end.
