RE: Water Right 63-32016

Dear Andy:

Thank you for your letter dated February 9, 2018, regarding water right license 63-32016. In your letter, you state that you "do not want statements contained in Water Right File No. 63-32016 to be read in isolation and out of context . . . with . . . the findings and results of Water Right File Nos. 63-10559 (cold water), 63-10560 (geothermal water), and 63-12316 (geothermal water)." Your letter specifies some statements that worry your client, Grouse Creek Cabins, Inc., and it offers some context from your client's perspective. To document your client's views about the water right records, IDWR will add your letter to each of the water right files you referenced (63-32016, 63-10559, 63-10560, and 63-12316).

Please call or email if you have any additional questions.

Regards,

Shelley W. Keen
