Re: Insufficient evidence for ownership change for 91-7178

Dear Water Right Holder(s):

On March 15, 2018 the Department received an ownership change for the above mentioned water right along with a copy of the purchase and sale agreement. As the purchase and sale agreement is not a conveyance document, the Department requires the following information be submitted in order to complete the ownership change:

1. Notarized copy of the warranty deed that includes the legal description of the property.

Please submit the required information within 30 days of the day of this letter. If the Department does not received a copy of the notarized warranty deed within 30 days, we will issue a refund for the \$25 filing fee and return all documentation at that time.

If you have any questions, please contact our office or email me directly at Natalie.steading@idwr.idaho.gov.

Sincerely,

Natalie Steading,
Technical Records Specialist 1
