RE: Change in Ownership Water Right No. [25-13330](#)

Dear [Sir/Madam](#):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. On February 9, 2018 the department contacted Bryce Stalling to request additional information. The information required is indicated below:

**** **Evidence of Ownership:** According to the notes in our file, the department is waiting for additional evidence of ownership to complete a notice of change in water right ownership. The department requires a copy of the recorded warranty deed in order to complete a Notice of Change in Water Right Ownership. Please supply a copy of the Warranty Deed for property appurtenant to the water right listed above.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
