RE: Change in Ownership Water Right No. [25-13172](#)

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** According to the notes in our file, the department is waiting for additional evidence of ownership to complete a notice of change in water right ownership. It appears you had been working with an agent in our office to get required deeds submitted but the department has not yet received all the required information. It appears the current owner of the water right is Rhoda Harris. The department received a quit claim deed from Melisa Williams to Nathan Williams, however a full chain of title from Rhoda Harris is required. Please submit a copy of the deed going from Rhoda Harris to you.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
