RE: Change in Ownership Water Right No. **35-7758**

Dear **Sir/Madam**:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. On November 15, 2017 the department talked to Renette Loosli and requested additional information in order to complete your application. The information required is indicated below:

**** **Evidence of Ownership:** According to the notes in our file, the department is waiting for additional evidence of ownership to complete a notice of change in water right ownership. According to the tax lot information updated by the county but available to IDWR there are missing deeds for maybe 11 acres (NESW SENW Section 5 Township 2 South Range 36 East) and another deed for approx. 39 acres NENW Gov. Lot 6 NENW NWNW Section 8 Township 2 South Range 36 East).

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
