RE: Notice of Change in Water Right Ownership: 63-33447 and 63-33448

Dear Interested Parties:

The Idaho Department of Water Resources (Department) received a Notice of Change in Water Right Ownership from you for water right 63-33447 and 63-33448. After reviewing the request, it was determined the conveyance documents submitted did not provide proof of ownership by Oh Well LLC. We cannot process the notice of ownership change without documentation that the rights were conveyed to Oh Well LLC.

I have enclosed a map that shows the properties in question outlined in black and the place of use for water rights 63-33447 and 63-33448 marked in red lines. Please note that place of use as stated in the water right proof report and maps provided depict the location of these water rights.

The Department is returning Notice of Change in Water Right Ownership and the attachments. A refund will be requested and sent to you under separate cover from the Idaho State Controller's Office. If you have any questions regarding this matter, please call me at (208) 334-2190.

Sincerely,
