Dear Mr. Fritz:

RE: Water Right No. 29-2395 – Change point of diversion, Change Place of Use, and Water Right Reapportionment

Per our phone conversation today, please find enclosed a check for \$460.00 to the Idaho Department of Water Resources for the additional fees required for the change of diversion, in conjunction with the change in place of use and water right reapportionment.

Also being filed along with this application is the Notice of Change in Water Right Ownership to split the ownership with 25% going to Robert E. Hart and 75% going to David J. Hart and James W. Hart.

Thank you for your assistance with this matter.

Sincerely,

Robert E. Hart
