### Tributary

GROUND WATER                      NESW                      Sec. 22, Twp 05N, Rge 03W, CANYON County

## IRRIGATION within CANYON County

POU Total Acres: 64.0

|    |     |                                                                                                                                                                                                                                                                                                                                                                |
|----|-----|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1. | C18 | This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the Court at a point in time no later than the entry of a final unified decree. Section 42-1412(6), Idaho Code.                                                |
| 2. | W14 | Use of this right is combined with water from Black Canyon Irrigation District.                                                                                                                                                                                                                                                                                |
| 3. | C05 | Right includes accomplished change in place of use pursuant to Section 42-1425, Idaho Code.                                                                                                                                                                                                                                                                    |
| 4. | S39 | The use of water for irrigation under this right may begin as early as March 1, provided other elements of the right are not exceeded. The use of water before March 15 under this remark is subordinate to all water rights having no subordinated early irrigation use and a priority date earlier than the date a partial decree is entered for this right. |
| 5. | R05 | The rate of diversion of water for irrigation under this license and all other water rights on the same land shall not exceed 0.02 cubic feet per second for each acre of land.                                                                                                                                                                                |
