3. While a right is in the bank, the lessor may not use the right without approval of the Department even if the right is not rented from the bank. 	He wants to continue irrigating the 0.5 acre around the house with a groundwater domestic exemption. Same was accepted in 2016 & 2017 to the Bank. We will bring the entire right of 9 acres in but reduce rental to 8.5 acres to prevent enlargement.

Subject: Lease Review - 37-23001

Kevin, Corey,

Please review the attachments for a lease "renewal" for 2018, and kindly reply with comments or concerns within 7 days.

Previously, the entire surface water right has been leased into the bank and made rentable, with acknowledgment that the lessor would still irrigate ½ acre through domestic exemption.
I would like to reduce the rentable amount by the ½ acre portion.

Best,

Mary
