RE: Notice of Representative for Water Right No(s). See Attached List

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence removing Tom Boyer with TVB Management Co as representative and adding Matt Harmon with US Agriculture Farm Management Services as representative of water rights in the name of Pinnacle Great Plains Operating Co LLC and NKC Great Plains, LLC. The department has modified its records to reflect the change.

Updating the representative record for a water right does not reconfirm the validity of the right. When processing this notice, the department did not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jonie Barg
Technical Records Specialist
