Tom,

I was able to find the document from 1981, instrument 680435, where Kenneth Glen Tillotson deeds to Annie Myrl Tillotson. I believe you said you already had that deed, but I attached it anyways. It appears that the assessment records showed Annie as the owner of record from that point until 2011 (we keep old records of assessments for ten years and the 2007 assessment/tax notice shows Annie Myrl Tillotson as owner and in care of Joan Chatterton because Annie had already passed by that time). In 2011 as series of documents were recorded to clear Annie's name from the records. The instrument numbers were 21114329-21114335. The first document outlines that Annie Tillotson has passed and then names the heirs as Joan Chatterton, Linda Holloway, Michael Tillotson as children and Steven Tillotson and Johnny Tillotson as grandchildren. It also mentions that Joan Chatterton had also died earlier in the year as you are quite aware of I am sure.

Linda, Michael, Steven and Johnny deed out to the 'estate of Joan Chatterton' under instruments 21114330-21114333. This is probably your missing link to Joan Chatterton and since it was done through the courts and by lawyers, I assume that this was done correctly. Anyways, since Vaughn was the surviving spouse of Joan and has been named the personal representative of her estate CV-11-3187-IE, he then deeds out her estate's interest to himself in 21114334. Finally the last document 21114335, is the deed from Vaughn Chatterton to you as the current owner of the parcel.

Hopefully this helps.

Re: Change in Ownership for Water Right No(s): 29-12062 & 29-12191

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code, §42-222 and §42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within **120 days** of the change. Water right forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions concerning the enclosed information, please contact me at (208) 525-7161.

Sincerely,

Jonie Barg
