Re: Insufficient information to process Assignment of Application for Permit for 95-17437

Dear New Water Right Applicant,

On February 1, 2018, the Department of Water Resources Northern Regional Office received an Assignment of Application for Permit from Michael & Steven Szeles. The information needed from them was complete but the information we need on the new applicant was not complete. The Department cannot issue the Water Right Permit in your name unless we have your correct information on file.

I made several attempts beginning on February 6, 2018 through February 20, 2018 to get the necessary information through Sarah Griffin, your Real Estate Agent. She told me she would speak with you regarding this matter. I have been unsuccessful in reaching her and now she is out of the office until February 25, 2018.

In order to process the Permit, we need your contact information. This should include your legal name as you want it to appear on the Water Right Permit, your mailing address, city, state and zip code. We also need your phone number and an email if you have one. I am sending this request to the address listed on the Water Right and the address we found on the Kootenai County website for you hoping you will receive this letter.

Please submit the requested information within 30 days of the date of this letter so we can make the necessary changes on the Assignment of Application for Permit. If we do not receive the information within 30 days, we will have to issue the Water Right Permit in the name of the original applicant which is Michael Szeles. If the Water Permit is issued in the former Applicant's name, you would have to complete an ownership change to include a \$25 fee and provide the Warranty Deed that is recorded and notarized by all parties in order to get the Water Right into your name.

If you have any questions or concerns, please contact our office at (208) 762-2800. You can also email me at Tammy.alleman@idwr.idaho.gov.

Sincerely,

Tammy Alleman

Name as he wants it on the Water Right. (If he is listing a spouse, does he want it to read AND/OR? If it goes in a Trust name then I will need the name of the Trust...)

Mailing Address, City State Zip

Phone number

Email

I have also attached a copy of the original Application for Permit that you can pass along to the new owner of said Water Right. Thank you for your assistance with this. If you need any other information or have any questions just let me know.

Hi Josh,

Thank you for your assistance with the Assignment of Application for Permit #95-17437. I was able to contact Sarah Griffin and she is going to get the information I need on Richard Fore for the new assignment of the Water Right Permit application. Can you send me a note for the file stating you would like to be removed as the representative of the Water Right? I just need something from you stating that you are not the representative of the new Applicant.

Thank you,

Tammy
