Re: Request to Expedite Application for water right #57-11908

Dear Sir or Madam:

I am submitting this request to expedite application for water right #57-11908 for Jean McGhee. She is a widow who lost her water rights because of failure to receive communication during adjudication. During the transfer of property 30 years ago, the address was not changed.

She is in poor health. Having water to improve the appearance of her property would be a mental and emotional boost. As a neighbor and a friend, I am willing to make this a reality. Time is of the essence considering her health condition.

Verification of the permit would enable us to commit the means to repair and complete the irrigation system.

Thank You,

Harold A. Simper
