Re: Change of Address for Water Right/Permit No: 95-17385

Dear Water Right Holders:

The Department recently reviewed the file on your Water Right which has been permitted and found that we had returned mail for the address we have on file. The Department will need an address change form completed to make the necessary changes in the system so you get correspondence throughout the process of licensing your Water Right. Please return the completed Address Change form to us within 30 days so we can make the necessary changes in our system. Water right forms are available from any office of the Department, or at www.idwr.idaho.gov. Please note that notification of any changes in address or ownership should be sent to our office.

If you have any questions concerning the enclosed information, please feel free to contact me at (208) 762-2800.

Sincerely,

Tammy Alleman
Administrative Assistant
