RE: Change in Ownership Water Right No. 29-4206, 29-8053, 29-10461, 29-10462, 29-10463, 29-10465, 29-10466 & 29-10467

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Additional filing fee or release of interest in water right:** The department has all the information required for the ownership change for water rights 29-4206, 29-10462, 29-10463, 29-10465, 29-10466 and 29-10467. As for water rights 29-8053 and 29-10461 additional information and/or additional filing fees is required. Please review the maps attached; there is a parcel for approximately 9.2 acres that is partially covered by water rights 29-8053 and 29-10461. In order for the department to complete the ownership change a release for the portion of the water right on the property owned by Mark Bloxham is required or an additional filing fee of \$150.00 in order for the department to split the two water rights between The Louis Bloxham Family Trust and Mark Bloxham.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

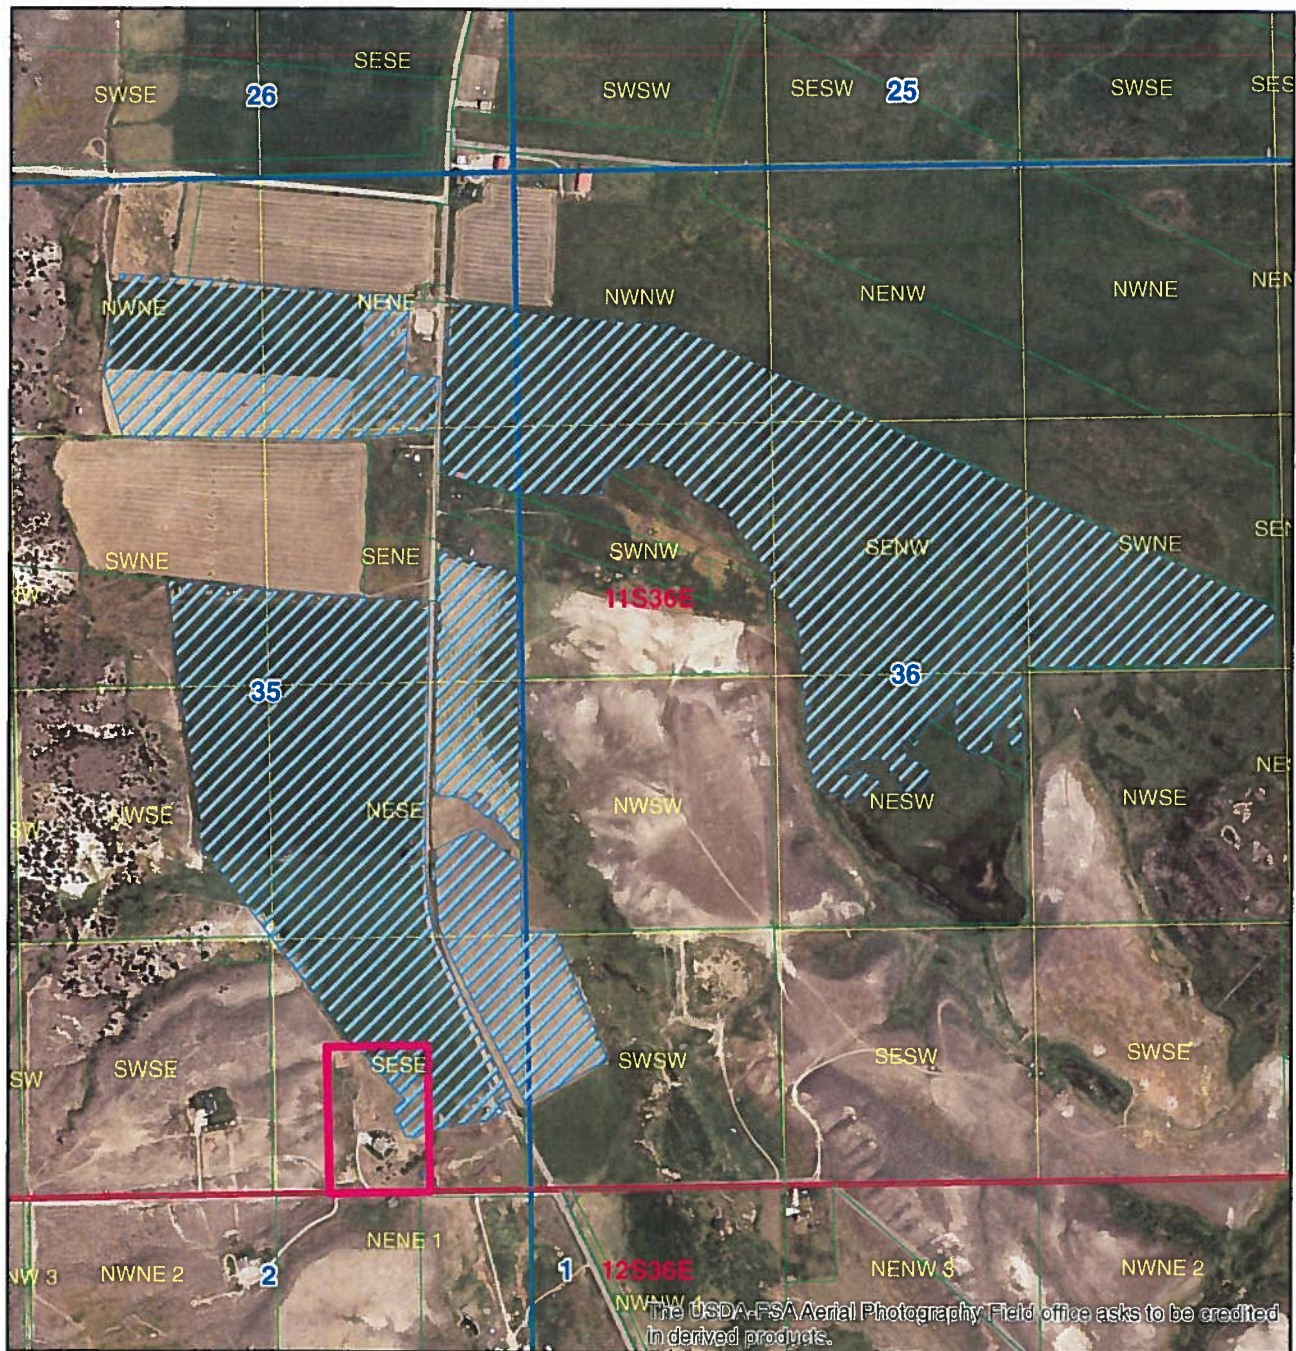

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
