

MEMORANDUM

Date: February 13, 2018
To: Water Rights File
From: Nathan Erickson *NE*
Re: Irrigation 206 Map for Red Rock Farms

The attached list of water rights are associated with a farm owned by Red Rock Farms which has updated their irrigation place of use beginning spring of 2018. The attached map was prepared while Callen Rex, a representative of the company was in our office. He signed the attached map to show the irrigation place of use. The place of use has been updated in GIS. This memo and attached documents should be scanned to the associated water right files.
