CONDITIONS OF APPROVAL

1. Proof of application of water to beneficial use shall be submitted on or before **March 01, 2023**.
2. Subject to all prior water rights.
3. Use of water under this right shall be non-consumptive. This permit does not include lawn, garden, landscape, or other types of irrigation.
4. Commercial use is for an RV park and campground with 90 sites, a cabin, an office, laundry facilities and showers. A portion of the total commercial use at the facility is covered by water right 21-7360.
5. After specific notification by the Department, the right holder shall install a suitable measuring device or shall enter into an agreement with the Department to use power records to determine the amount of water diverted and shall annually report the information to the Department.
6. Prior to the diversion and use of water under this approval, the right holder shall comply with applicable water quality monitoring and/or permitting requirements administered by the Department of Environmental Quality or the Department of Agriculture.
7. Right holder shall comply with the drilling permit requirements of Section 42-235, Idaho Code and applicable Well Construction Rules of the Department.

State of Idaho
Department of Water Resources
Permit to Appropriate Water

NO. 21-13235

8. Project construction shall commence within one year from the date of permit issuance and shall proceed diligently to completion unless it can be shown to the satisfaction of the Director of the Department of Water Resources that delays were due to circumstances over which the permit holder had no control.

This permit is issued pursuant to the provisions of Section 42-204, Idaho Code.

Signed this 14th day of February, 2018.

JAMES CEFALO

Water Resources Program Manager
