

MEMORANDUM

TO: Water Right Files 37-8686
FROM: Sandra Thiel
DATE: May 2, 2017
SUBJECT: Sundance Subdivision Development

The Department issued permit 37-8686 in September 1995. The Heatherlands Homeowners Association submitted proof of beneficial use in November 1996. At the time of this memo there are nine houses. The first house was built in 1992. Four houses were constructed between 1992 and 1995. One house was built in 1996 and the remaining four were built from 1998 to 2002. Only five houses were built during the development permit.
