RE: Permit No. 71-10945

Dear Permit Holder(s):

On February 6, 2018, the Department sent you a lapse notice that mistakenly was sent in error. On February 1, 2018, the Eastern Regional Office of the Department received a Statement of Completion (proof) form along with a License Examination Fee of \$50.00 for the above mentioned water right permit. The State Office of the Department was unaware of the extension request filed timely by the proof due date of February 1, 2018.

Please discard the lapse notice that was sent to you by mistake. Your permit did not lapse, therefore has been put back to active status. If you have any questions, please contact me at (208) 287-4945

Sincerely,

Darla Block
Technical Records Specialist
