Re: Water Right Permit 37-8859

Dear Darla:

A signed Statement of Completion signed by Greg Vik on behalf of Smokey Dome LLC will be mailed directly to the Idaho Department of Water Resources. A Beneficial Use Field Report for 37-8859 has been stamped by Charles G. Brockway and signed by Greg Sullivan.

Please review the two documents and let me know if there is any additional information required by IDWR for Permit 37-8859 to become a License.

Sincerely,

Greg Sullivan
