To whom it may concern,

Research was done for water delivery lookup for specific Headgate Numbers M-57-4 and M-55-8. Physical records from 1935-1975 were checked as well as our electronic database from 1990-current and no such headgates received water delivery.

If you have any questions or concerns regarding this, please feel free to call our office at (208)397-4192.

Sincerely,

Melissa Bell
