RE: Garfield Villas Home Owner's Association
Authorization to obtain well permit

"To Whom It May Concern"

The bearer of this letter, James E. Shelledy, is vice president of the Garfield Villas Home Owner's Association (GVHOA) of Sagle, ID, and is authorized by the GVHOA board to make application, on behalf of the GVHOA, for a second well on common property in the Garfield Villas residential development.

The initial well provided for the GVHOA residential development is currently 25 years old and barely produces enough water for the existing homes in the summer. We intend to drill the well in proximity of the current well, based on a hydro evaluation by John Monk. We intend to use H2O drillers of Coeur d'Alene.

The well will serve the nine owners of property in the association.

Thank you for your help on our behalf.

Sincerely,
GVHOA

Jim Gahl
President - GVHOA

State law requires that this report be filed with the Director, Department of Water Resources within 30 days after the completion or abandonment of the well.
