RE: Ownership of Water Right 63-31470

Dear Mr. and Mrs. Gold:

We have been advised that you may be the current owners of a portion of Water Right No. 63-31470.

When a change of ownership involving a water right occurs, Idaho Code § 42-238 requires that the new owner submit to the Idaho Department of Water Resources ("Department") a Notice of Change in Water Right Ownership form. I have enclosed a Notice of Change in Water Right Ownership form for your submittal to the Department or you can find the form on the Department's website: www.idwr.idaho.gov. I have also enclosed a water right proof report and a map showing the place of use for water right 63-31470.

This water right has been leased to the Water Supply Bank (Bank) since 2005 which means it has been idled and not used. The water right will be released from the Bank December 31, 2020. To avoid possible forfeiture, when this right is released from the Bank, it will need to be put to beneficial use or placed back in the Bank.

Please return the completed form along with the required supporting documentation and fees to: IDWR, PO Box 83720, Boise, Idaho 83720-0098.

If you have any questions regarding this matter, please contact me at 208-287-4942.

Sincerely,

Jean Hersley
