Re: Permit No. 61-7731

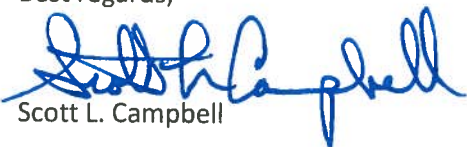

Dear Gary,

I have enclosed for filing with the Idaho Department of Water Resources a Request to Continue to Conduct Informal Proceedings/Alternative Petition for Reconsideration of Preliminary Order Reinstating Permit. This matter involves the Elmore County aquifer recharge efforts.

As you will note from reviewing the document, Elmore County has taken this action reluctantly. It is hopeful that formal proceedings under the Departments Rules of Procedure will not be necessary.

Thank you for your attention to this matter.

Best regards,

Scott L. Campbell
