CONDITIONS OF APPROVAL

1. Rights 11-4351, 11-4352, 11-4353, and 11-7437 when combined shall not exceed a total diversion rate of 8.00 cfs.
2. After specific notification by the department, the right holder shall install a suitable measuring device or shall enter into an agreement with the department to determine the amount of water diverted from power records and shall annually report the information to the department.
3. The diversion and use of water described in this right may be subject to additional conditions and limitations agreed to by the protestant and the right holder under a separate agreement to which the Department is not a party. Because the Department is not a party, the Department is not responsible for enforcement of any aspect of the agreement not specifically addressed in other conditions herein. Enforcement of those portions of the agreement not specifically addressed in other conditions shall be the responsibility of the protestant and the water right holder.
4. Place of use is within the service area of the City of Montpelier municipal water supply system as provided for under Idaho Law.
