**Re: *Map Showing Internal Accounting of Location of Water Rights Owned
by the Black Hawk and Iron Rim Homeowners' Associations.***

Dear James:

Enclosed for your information is a map showing the lots that are covered by the various water rights owned by the Black Hawk and Iron Rim Homeowners' Associations. There is nothing that I need you to do with this information. I simply wanted to let you know that we are tracking where the water rights are assigned as contemplated in the conditions of the water right. If at any point the Department has any questions regarding the internal assignment of the above-referenced water rights to certain lots, simply let us know, and we will provide the most up-to-date list.

Best regards,

Robert L. Harris
