Re: Insufficient evidences for Change in Ownership for water right no. 95-12022

Dear Water Right Holder,

On January 12, 2018 the Department received a change in ownership for the above referenced water right along with a copy of the deed of trust. As the deed of trust is not a conveyance document, the Department requires the following information:

1. Notarized warranty deed conveying the property to your name

Please submit the warranty deed within 30 days of the date of this letter. If the Department does not receive the warranty deed within 30 days, we will issue a refund for the \$25 filing fee and return all documentation at that time.

If you have any questions, please contact our office.

Sincerely,

Natalie Steading
Technical Records Specialist 1
