Subject: Correction to Address on Proof Applications 63-34355

Darla,

There was a typo in a recent submittal of a Statement of Completion of beneficial use form for Permit number 63-34355.

The contact address is listed as Arizona, when in fact it was meant to be Utah. Additionally, 12th floor, is listed in front of the street address which is not correct. The correct address should be shown as follows:

50 E North Temple Street
12th Floor
Salt Lake City, UT
84150

Thank you.
