RE: Notice of Change in Water Right Ownership 75-4303

Dear Interested Parties:

The Idaho Department of Water Resources (Department) received a Notice of Change in Water Right Ownership from you for water right 75-4303. After reviewing the request, it was determined that water right 75-4303 is not appurtenant to property conveyed in the deed provided.

The place of use for water right 75-4303 is located in Township 23N, Range 17E, Section 10, NWNW. The real property conveyed to you is located in Township 24N, Range 17E, Section 25.

The Department is returning Notice of Change in Water Right Ownership and the attachments. A refund will be requested and sent to you under separate cover from the Idaho State Controller's Office. If you have any questions regarding this matter, please call me at (208) 287-4942.

Sincerely,

A handwritten signature in black ink that reads "Jean Hersley".

4. If the water rights and/or adjudication claims were split, how did the division occur?

- ☐ The water rights or claims were divided as specifically identified in a deed, contract, or other conveyance document.
☐ The water rights or claims were divided proportionately based on the portion of their place(s) of use acquired by the new owner.

5. Date you acquired the water rights and/or claims listed above: 1994

6. If the water right is leased to the Water Supply Bank changing ownership of a water right will reassign to the new owner any Water Supply Bank leases associated with the water right. Payment of revenue generated from any rental of a leased water right requires a completed **IRS Form W-9** for payment to be issued to an owner. A new owner for a water right under lease shall supply a W-9. Water rights with multiple owners must specify a designated lessor, using a completed Lessor Designation form. Beginning in the calendar year following an acknowledged change in water right ownership, compensation for any rental will go to the new owner(s).

7. This form must be signed and submitted with the following **REQUIRED** items:

- ☒ A copy of the conveyance document – warranty deed, quitclaim deed, court decree, contract of sale, etc. The conveyance document must include a legal description of the property or description of the water right(s) if no land is conveyed.
☒ Plat map, survey map or aerial photograph which clearly shows the place of use and point of diversion for each water right and/or claim listed above (if necessary to clarify division of water rights or complex property descriptions).
☐ Filing fee (see instructions for further explanation):
 o \$25 per undivided water right.
 o \$100 per split water right.
 o No fee is required for pending adjudication claims.
☐ If water right(s) are leased to the Water Supply Bank AND there are multiple owners, a Lessor Designation form is required.
☐ If water right(s) are leased to the Water Supply Bank, the individual owner or designated lessor must complete, sign and submit an IRS Form W-9.

NOW KNOW YE, That there is therefore, pursuant to the laws aforesaid, hereby granted by the United States unto the said grantees and to the heirs, or successors, and assigns of said grantees, the said mining premises hereinbefore described, and not expressly excepted from these presents, and all that portion of the said vein, lode, or ledge, and of all other veins, lodes, and ledges throughout their entire depth, the tops or apexes of which lie inside of the surface boundary lines of said granted premises in said survey extended downward vertically, although such veins, lodes, or ledges in their downward course may so far depart from a perpendicular as to extend outside the vertical side lines of said premises: Provided, That the right of possession to such outside parts of said veins, lodes, or ledges shall be confined to such portions thereof as lie between vertical planes drawn downward through the end lines of said survey so continued in their own direction that such planes will intersect such exterior parts of said veins, lodes, or ledges: And provided further, That nothing herein contained shall authorize the grantees herein to enter upon the surface of a claim owned or possessed by another.

TO HAVE AND TO HOLD said mining premises, together with all the rights, privileges, immunities, and appurtenances of whatsoever nature thereunto belonging, unto the said grantees above named and to the heirs, or successors, and assigns of said grantees forever; subject, nevertheless, to the above-mentioned and to the following conditions and stipulations:

FIRST. That the premises hereby granted shall be held subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local laws, customs, and decisions of the courts. And there is reserved from the lands hereby granted a right of way thereon for ditches or canals constructed by the authority of the United States.

SECOND. That in the absence of necessary legislation by Congress, the Legislature of IDAHO may provide rules for working the mining claim or premises hereby granted, involving easements, drainage, and other necessary means to its complete development.

IN TESTIMONY WHEREOF, I, WILLIAM H. TAFT

President of the United States of America, have caused these letters to be made Patent, and the Seal of the General Land Office to be hereunto affixed.

GIVEN under my hand, at the City of Washington, the NINTH

day of NOVEMBER In the year of our Lord one thousand

nine hundred and ELEVEN and of the Independence of the

United States the one hundred and THIRTY-SIXTH.

By the President:

By

Wm. H. Taft
Recorder of the General Land Office

The United States of America,

To all to whom these presents shall come, Greeting:

WHEREAS, in pursuance of the provisions of the Revised Statutes of the United States, Chapter Six, Title Thirty-two, and legislation supplemental thereto, there have been deposited in the General Land Office of the United States the Plat and Field Notes of Survey and the Certificate of the Register of the Land Office at **Hailey, Idaho,** accompanied by other evidence whereby it appears that **Reuben A. Joseph and Elmer E. Groff**

have entered and paid for the **North Western lode mining claim**

designated by the Surveyor General as **Survey No. 2793, embracing a portion of the unsurveyed public domain, in the Mineral Hill Mining District, Lemhi County, Idaho,**

and bounded, described, and platted as follows: Beginning at corner No. 1, a gneiss stone 16 x 18 x 26 inches, marked 1 - 2793 and (X) on top at exact corner point, with mound of stone; situate on line 2 - 3 of the Bryon lode claim, Survey No. 2542 at a point from which corner No. 2 bears south fifty-one degrees fourteen minutes west ninety-three and seventy-three-hundredths feet distant; and U. S. Mineral Monument No. 6 bears south twenty-nine degrees sixteen minutes east three hundred sixty-nine and forty-six-hundredths feet distant;

Thence, first course, south thirty-seven degrees two minutes west ninety-three and fifty-four-hundredths feet intersect line 1 - 2 of said Bryon lode claim and line 4 - 1 of the Miser's Dream lode claim, Survey No. 2542, at south forty-six degrees twenty minutes east twenty-three and

fifteen-hundredths feet from corners Nos. 2 and 4, respectively; one thousand five hundred feet to corner No. 2, a gneiss stone 9 x 10 x 28 inches, marked 3 - 2793 and (I) on top at exact corner point; with mound of stone; situate on line 3 - 4 of said Miner's Dream lode claim, at south thirty-six degrees six minutes west one thousand four hundred nine and thirty-two-hundredths feet from corner No. 4;

Thence, second course, north forty-one degrees thirty-four minutes west three hundred feet to a point from which discovery bears north thirty-seven degrees two minutes east five hundred eighty-two feet distant; six hundred feet to corner No. 3, a gneiss stone 10 x 12 x 28 inches, marked 3 - 2793 and (I) on top at exact corner point, with mound of stone;

Thence, third course, north thirty-seven degrees two minutes east one thousand five hundred feet to corner No. 4, a granite stone 8 x 24 x 30 inches, marked 4 - 2793 and (I) on top at exact corner point, with mound of stone;

Thence, fourth course, south forty-one degrees thirty-four minutes east six hundred feet to corner No. 1, the place of beginning; expressly excepting and excluding from these presents all that portion of the ground hereinbefore described, embraced in said Bryon and Miner's Dream lode claims, Survey No. 2342, and also all that portion of the North Western vein or lode, and of all veins, lodes, and ledges, throughout their entire depth, the tops or apices of which lie inside of such excluded ground; Survey No. 2793 extending one thousand five hundred feet in length along said North Western vein or lode; the premises herein granted, containing nineteen and eight hundred fifty-eight-thousandths acres.

NOW KNOW YE, That there is therefore, pursuant to the laws aforesaid, hereby granted by the United States unto the said
Hubert A. Joseph and Elmer B. Greff

the said mining premises hereinbefore described, and not expressly excepted
from those premises, and all that portion of the said vein, lode, or ledge, and of all other veins, lodes, and ledges throughout their entire
depth, the tops or apices of which lie inside of the surface boundary lines of said granted premises in said survey extended downward
vertically, although such veins, lodes, or ledges in their downward course may so far depart from a perpendicular as to extend outside the
vertical side lines of said premises: Provided, That the right of possession to such outside parts of said veins, lodes, or ledges shall be
confined to such portions thereof as lie between vertical planes drawn downward through the end lines of said survey as continued in their
own direction that such planes will intersect such exterior parts of said veins, lodes, or ledges: And provided further, That nothing herein
contained shall authorize the grantees herein to enter upon the surface of a claim owned or possessed by another.

TO HAVE AND TO HOLD said mining premises, together with all the rights, privileges, immunities, and appurtenances of whatsoever
nature thereunto belonging, unto the said grantees above named and to **their heirs**
and assigns forever; subject, nevertheless, to the above-mentioned and to the following conditions and stipulations:

FIRST. That the premises hereby granted shall be held subject to any vested and sacred water rights for mining, agricultural,
manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and
acknowledged by the local laws, customs, and decisions of the courts. And there is reserved from the lands hereby granted a right of way
thereon for ditches or canals constructed by the authority of the United States.

SECOND: That in the absence of necessary legislation by Congress, the Legislature of **Idaho**
may provide rules for working the mining claim or premises hereby granted, involving easements, drainage, and other necessary means to its
complete development.
