Subject: Hearings for 95-17241 & 96-9568

Sharla,

I've reserved the USDA-NRCS Conference Room at 1224 Washington Ave., Sandpoint, ID for September 18, 2017 to hold the hearing for 96-9568. The points of contact for the hearing are Greg.Becker@id.usda.gov<mailto:Greg.Becker@id.usda.gov> 208.263.5310 x104 and Kirk.Seilmeyer@id.usda.gov 208.263.5310 x106. This application was one of the first pre-hearings that I conducted on my own. I didn't realize that the rule is one protest/one person, so Pat Bistline and Eileen Klatt, who submitted only one protest, both participated in the pre-hearing. That may need some clarification before the hearing.

The Northern Regional Conference Room is reserved for the hearing for 95-17241 on September 19, 2017.

Thanks for offering to get the notices out. Sorry I won't be here to help out.
