CONDITIONS OF APPROVAL

1. Place of use is within the service area of the City of Rexburg municipal water supply system as provided for under Idaho Law.
2. A map generally depicting the service area for this water right at the time of this approval is attached to this document for illustrative purposes.
3. Use of water under this right may be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 100.
4. A lockable device subject to the approval of the Department shall be maintained on the diverting works in a manner that will provide the watermaster suitable control of the diversion.
5. Prior to the diversion and use of water under Transfer approval 82069, the right holder shall install and maintain acceptable measuring device(s) at the authorized point(s) of diversion in accordance with Department specifications, or shall obtain an approved variance from the Department to determine the amount of water diverted from power records or to maintain an existing measuring device.
6. Upon specific notification of the Department, the right holder shall install and maintain data loggers to record water usage information at the authorized point(s) of diversion in accordance with Department specifications.
7. This right does not grant any right-of-way or easement across the land of another.
8. The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
