RE: Insufficient evidence for ownership change for water rights 97-7218 & 97-4195

Dear Water Right Holders,

On July 31, 2017 the Department received an ownership change for the above mentioned water rights. While our records show the Point of Diversion (POD) for the water rights are located on your property, the Place of Use (POU) for both water rights resides on neighboring parcels. In order to proceed with the ownership change, the Department requires the following:

1. Submission of proof of ownership of the other parcels of land the water right POU is located.

Please submit the warranty deed, or other conveyance documents, within 30 days of the date of this letter. If the Department does not receive the conveyance documents within 30 days, we will issue a refund for the \$50 filing fee and return all documentation.

Please contact our office at (208) 762-2800 or at Natalie.steading@idwr.idaho.gov if you have any questions.

Sincerely,

Natalie Steading,
Technical Records Specialist 1
