RE: Change in Ownership Water Right No. 11-367 & 11-7326

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** According to the department's records water right 11-7326 is currently in the name of Brent and Margaret Webb. An ownership change was submitted and complete in September 2015. For water right 11-367 additional information is required in order for the department to complete your application. The current owner of the water right according to our records is Larilliere Co, please supply a full chain of title back to Largilliere Co. We have a copy of the deeds from Forrest and Dorothy McFarland to Webb Basin and the deed from Webb Basin to Brent and Margaret Webb. We need copies of the deeds from Largilliere Co to McFarland.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
