RE: Statement of Completion
Permit No. 87-10073

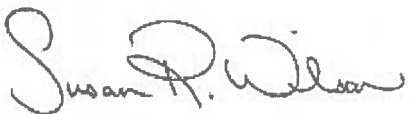

Dear Sandy,

Enclosed please find the Statement of Completion we discussed for Permit No. 87-10073. My clients built a structure on the property which has all of the water amenities a household would have. There is a bathroom, washer and dryer, kitchen with sink, etc. I am enclosing photographs for your files. I am also enclosing a Certificate of Occupancy from Latah County for the structure.

As we discussed, no fee is required because the rate of diversion is .04. If this is not correct, please contact me immediately so payment may be submitted.

Please let me know if you have any questions at all regarding the Statement of Completion or if additional information is needed. I can be reached at sw2@moscow.com or 208-882-8060.

Respectfully,

Susan R. Wilson
