RE: Change in Ownership Water Right No. 29-2410

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** The current owner of the water right listed above is William and Mary Treasure. The deed we received is from Kelly and Stephanie Christensen to you (Shawn Floyd Banks). Please supply a full chain of title back to William and Mary Treasure.

**** **Filing Fee:** Please review the map attached, it appears you only purchased a portion of the place of use of water right 29-2410. If this map is correct and you only own a portion of the water right please supply the additional filing fee for the department to split the water right. The fee for a split ownership change is \$100.00 per water right. We have received \$25.00 therefore an additional \$75.00 would be required.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

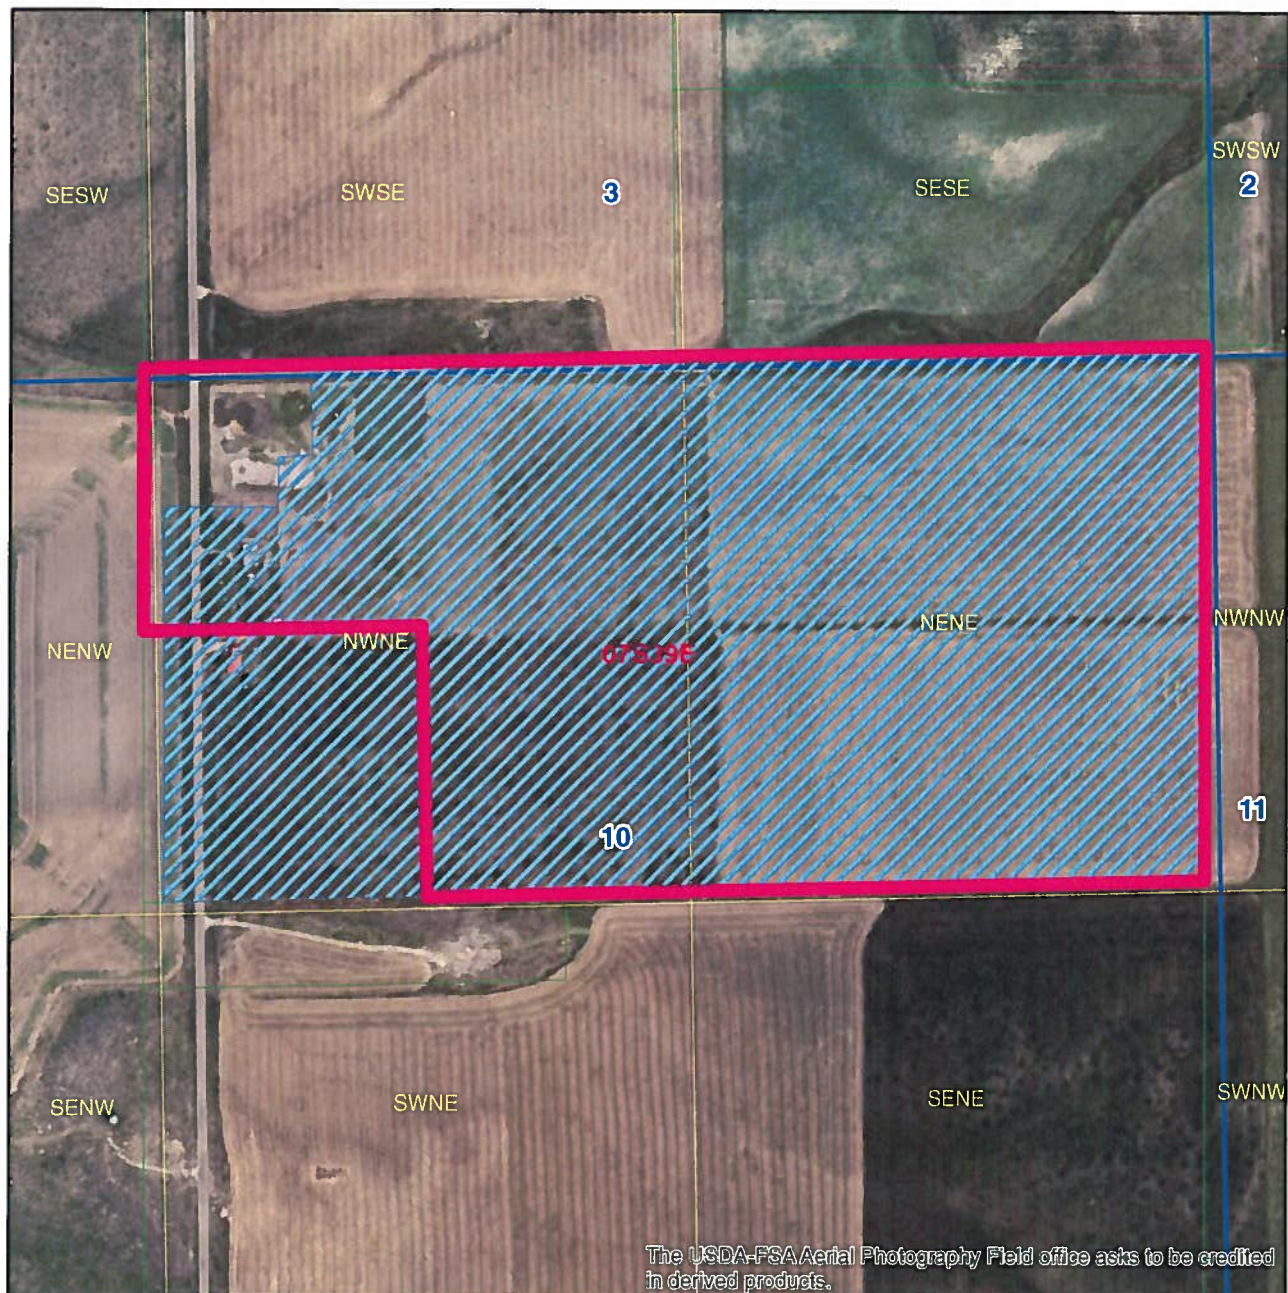

Sincerely,

Jonie Barg
Technical Records Specialist
