CONDITIONS OF APPROVAL

1. Use of water under this right may be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 110.
2. A lockable device subject to the approval of the Department shall be maintained on the diverting works in a manner that will provide the watermaster suitable control of the diversion.
3. Prior to the diversion and use of water under Transfer approval 81803, the right holder shall install and maintain acceptable measuring device(s), including data logger(s), at the authorized point(s) of diversion and in accordance with Department specifications, or shall obtain an approved variance from the Department to determine the amount of water diverted from power records or to maintain an existing measuring device.
4. Upon specific notification of the Department, the right holder shall install and maintain data loggers to record water usage information at the authorized point(s) of diversion in accordance with Department specifications.

Transfer No. 81803

WATER RIGHT NO. 31-2443

As Modified by Transfer No. 81803

CONDITIONS OF APPROVAL

5. The use of water for irrigation under this right may begin as early as April 1 and may continue to as late as October 31, provided other elements of the right are not exceeded. The use of water before May 1 and after September 30 under this remark is subordinate to all water rights having no subordinated early or late irrigation use and a priority date earlier than February 22, 2002.
6. The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
7. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
8. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as determined by the Snake River Basin Adjudication court in the final unified decree entered 08/26/2014.
