On our conversation I would appreciate you passing on the information that Vern Duffin and Marilyn Duffin are still alive. Also was that 50 or 59 acres that would be allowed to water with a pivot system that we are looking into? I enjoyed talking with you and also meeting you in person. Any help that you can give us would be most appreciated. Please keep in touch.

Thank you much,

Peggy, I have been trying to call you back, but I keep getting this recording that you are not able to answer the phone at this time or you are out of the subscribers' area. So please feel free to call me back. I will be here today until from 1:00 to 2:00 and then I am leaving at 3:30 for a doctor's appointment. I will be in the office tomorrow from 8:00 to 5:00 with my lunch from 1:00 to 2:00 pm.

Thank you.

Sharla
