Luke,

It appears the dust has finally settled on the Century Holdings Application (25-14434). In late August, Application 25-14434 was officially withdrawn. Have you had a chance to confer with your clients about the Brockman Creek transfer application? In previous conversations, you mentioned that the transfer application might also be withdrawn. Let me know how you would like to proceed. If you want to move forward with the transfer application, I will ask Sharla to schedule a status conference in October or November.
