Dear Parties,

Thank you all for getting back to me so quickly on this. I didn't hear back from Mr. Thorpe, but his attorney is available, and everyone else is available on the afternoon of the 16th, so I'll go ahead and schedule it.

We will hold a status conference on November 16th, 2017 at 1 pm. I will make our conference room available, but folks are welcome to participate by phone.

To participate by phone, please call 1-720-279-0026 and use the participant code 126664.

Please let me know if you have any questions.

Nick.

Subject: Application for Permit 63-34333 and 63-34334 Thorpe Family Trust - Status Conference Schedule

Dear Parties,

On September 28, 2017 the Department held a prehearing conference for two applications filed by Thorpe Family Trust to divert water from the Boise River (63-34333 and 63-34334). At that conference we had informally set a date for a follow up phone conference to be held the morning of November 16, 2017. Due to a conflict in scheduling, I propose we move the phone conference to the afternoon of the 16th instead. Alternatively, I am open on the 13th, 14th, and 15th as well.

Please let me know if any of you are unavailable the afternoon of the 16th for a phone conference from 1:00 to 2:00 pm.

Thanks,

Nick.
