RE: Ownership Change Water Rights: 74-725 and 74-15491

Dear Property Owners:

The Department of Water Resources acknowledges receipt of your request for a Notice of Change of Water Right Ownership on water rights 74-725 and 74-15491. After reviewing your request, it was determined additional fees will be needed to complete this request as water right 74-15491 will also need to be split. The deed provided conveys property located in Township 20N, Range 23E, Section 13, SESW as well as Township 20N, Range 23E, Section 24, NWNE, SWNE, and NENW. The place of use for water right 74-15491 is also located in Township 20N, Range 23E, Section 13, SWSE. According to the deed submitted with the original application, you do not own the property located at Township 20N, Range 23E, Section 13, SWSE and a small portion located at Township 20N, Range 23E, Section 24, NWNE. I have enclosed a copy of the original map and water right report for your benefit.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. The Department has determined that the additional filing fee for your notice will be **\$75**.

Because the Department cannot process the ownership change without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days the Department will update the ownership on water right 74-725 and will not update the ownership on water right 74-15491.

Please contact me at (208) 287-4920 if you have any questions.

Sincerely,

Debbi Judd
