Re: Typo on Preliminary Order to Reinstate Permit
Date: 11/14/2017

On November 7, 2017 Ray Ligenza emailed me to note an error on the Preliminary Order to Reinstate a Permit. The error was a typo under Findings of Fact, Item #5, which incorrectly identifies the date that the Department received a request to reinstate the permit as February 16, 2016. The correct date is February 16, 2017. This date is correct under Conclusion of Law. On the same date (October 31, 2017) that the preliminary order to reinstate the permit was issued, the Department also issued a license for this water right. Since the license has already been issued and the outcome of the Preliminary Order wouldn't change, the Department did not amend The Preliminary Order to reinstate the permit.
