Ray –

Thank you for emailing us and alerting us about this typo. The date under Finding of Facts item #5 should be February, 16, 2017. This typo has no adverse effect on your water right. The dates under Conclusions of Law in the Preliminary Order are correct. Furthermore the Preliminary Order was to reinstate the permit and we issued the water right license on the same day. I will put a memo in the file to note the error. Please let me know if you have any further questions.

Thanks,
Manuel

Subject: Preliminary Order Reinstating a Permit

Hi Manuel:

Again, thank you for all of your assistance with our application.

I was hoping you could clarify one item in the "preliminary order" document. Under "Findings of Facts" item #5 reads ...February 16, 2016...

Under "Conclusions of Law" the date reads...February 16, 2017...

We were wondering if this is a typo error and does it need to be corrected or does it effect us in any way?

Regards

Ray
