RE: Change in Ownership of Water Right No. 75-10158

Dear Interested Parties:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

You submitted a "Read and Approved" version of special warranty deed. We require a copy of a notarized deed indicating your ownership of the property and/or water rights in question.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Idaho Code § 42-248, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact me at (208) 287-4290 if you have any questions.

Sincerely,

Debbi Judd
