_____)

Mackay Bar Outfitters & Guest Ranch, Inc., by and through its attorney Charles L. Honsinger of Honsinger Law, PLLC, hereby files this Protest to Application for Transfer No. 81805 in the Name of Ram House, LLC.

The basis for this protest is that Protestant owns water right(s) diverted from the same source and in the immediate vicinity of the proposed new point of diversion proposed under the Application for Transfer. Protestant is concerned that the proposed transfer may not comply with the requirements of I.C. §42-222 in that it may: (1) result in injury to existing water rights, including those held by Protestant; (2) result in an enlargement in the use of existing water rights. Protestant proposes that the proposed transfer be conditioned in a manner such that the requirements of I.C. §42-222 are met, and that Protestant's water right(s) and interests are not injured thereby.
