Subject: Lapsed Permit No. 63-32016

Paradise Home Owner's Association (PHOA)

Dear Mr. Keen:

Thank you for your letter dated May 15, 2017, advising the PHOA of your Departments' decision.

We are please to advise you that the PHOA will be installing appropriate flow meters in accordance with the IDWR list of approved devices. We hope to have this completed over the next several weeks.

Once we have installed the devices we will proceed with a Beneficial Use Field Report completed by a certified water rights examiner (CWRE) and in our case, it will be Mr. Scott King of SPF Engineering.

We hope you will find everything in order so that we may proceed with the reinstatement of the lapsed permit.

Best regards,
